NEWSY NOTES FROM NATURE'S GREAT HIGHWAY.

The Lizzie Bay will be the Pomerooy packet tonight.

The Virginia passed down last night from Pittsburgh and will return tonight for that port.

The new towboat Harry Brown, said to be the finest craft of her kind afloat, costing \$85,000, left Pittsburgh Monday morning on her maiden trip. She will tow 17 barges of coal to Louisville.

The Ohio is rising again at headwaters, and a big river is looked for at Pittsburg, but it will only be a local rise, and it is safe to say the Washington Birthday usual high water will not be with us in 1898. There was a four-foot rise at Wheeling. Kanawha also rose two feet. Telegraphic reports show at all points the following river stages: Oil City, 4.5, rising; Pittsburgh, 11 feet, rose 1.2; Wheeling, 15.9, rose 4 feet; Davis Island Dam, 11.6, rising; Parkersburg, 17.8, rose 3.3; Hinton, 2.7, rose .5; Charleston, 7.4, rose 2 feet; Pt. Pleasant, 19.3, rose 1.2; Catlettsburg, 23.5, rose 1.2; Portsmouth, 26.3, rose 1.4. At this point there is a big stage of water, and the coming rise will no doubt keep the lower river at a good boating stage for some time.

FIGHTBALL IN ENGLAND.

A Player Who Killed Another Convicted of Manslaughter in London.

In London a man was killed at football and his slayer was charged with manslaughter and was convicted.

Justice Hawkins said that if a man caused violence, whether wilfully or by negligence, to another in such a way as to produce death he was guilty of murder, and, therefore, "rough players of this dangerous game" must beware or get into serious trouble.

The Judge added: "As, however, the prisoner has exhibited sincere sorrow and bears a good character, I will discharge him on his own recognizance in £50 bail."

Frank Sherwood was down town today, the first time since he had his tussle with cholera morbus. He says he drove thirty miles after he was taken, and never came so near dying in his life. After this when he goes out in the country he will take a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with him—Missouri Valley (Iowa) Times.

International Convention Foreign Missions, Cleveland, O., February 23d-27th, 1898.

The Gold Fields of Alaska.

In order to accommodate the heavy travel to the New Eldorado, which it is expected will set in early and continue during the coming season, the Missouri Pacific Railway Company will inaugurate a weekly tourist sleeping car service between St. Louis, Portland and Seattle, first car Westbound to leave St. Louis, Tuesday evening, February 23d, and continue weekly thereafter, making no change between St. Louis and the Pacific Coast. No other route can offer such splendid through accommodations, matchless scenery and interesting points on the way. This is the most desirable route to Portland and Seattle, and special attention will be given to parties enroute to Alaska. Valuable printed matter on the gold fields and the latest information in regard to rates, routes, etc., to that territory will be cheerfully mailed on application. A. A. Galscher, D. P. APPEAL TO THE PUBLIC

Property-Holders Asked to Aid Unfortunate Firemen.

HOW THE GOOD WORK GOES ON

The Committee appointed to secure subscriptions for the purpose of rebuilding the Washington Opera-house has issued the following Address:

To the Property-Holders and Citizens of Mayville: On Sunday morning, January 30th, the Washington Fire Company lost by fire their home, together with the Opera house upon which they depended for their support, and upon which our citizens depended for an amusement hall. In the destruction of the building there went up in smoke and flame the hard earnings of the Company, covering a period of 48 years and amounting to over \$12,000. They are now without shelter and without a single dollar—nothing left save their honor. The Firemen of our city have always been faithful to duty in saving your property, and upon many occasions have saved our city from total destruction. It is now proposed, and due them, to rebuild their home, and for this purpose a subscription has been started and a liberal amount secured. Will you be one to assist in this effort by a subscription? Respectfully,

THOMAS A. DAVIS,
ALEX. CALHOUN,
J. D. DYE,
WILLIAM H. COX,
HORACE J. COCHRAN.

The Address states the case so fully that it is not deemed necessary to add a word.

Every citizen and every merchant and property-holder is directly interested in this matter, and it is hoped that the responses will be prompt, numerous and generous.

Do not wait for the Committee to call on you, but send your name with the amount you wish to subscribe to THE LENDER office, or give it to any member of the Committee.

The Election Bill.

FRANKFORT, Ky., Feb. 22.—The Goebel election bill and the outcome of the caucus of the members of the house on it is the main topic of discussion. The opponents of the measure are still bitterly fighting it. It was rumored when ex-Senator Blackburn came here and did not go before the joint caucus Friday night that it would cause a coolness between him and Goebel, but their friends say they are on the best of terms. The four legislative days of the coming week will be busy ones.

Murder at Paducah.

PADUCAH, Ky., Feb. 22.—Tom Hannon, aged 40, shot and mortally wounded Will Hall, aged 25, Monday noon. They lived in the same house and quarreled about their wives. Hall drew an ax on Hannon and the latter got a double-barreled shotgun and shot him in the groin. Hannon, too drunk to escape, was arrested and jailed. Both were newcomers and mill men.

A Widow's Suit for Damages.

It is the first suit of the kind ever entered in this county.

Not a Bill Signed.

FRANKFORT, Ky., Feb. 22.—Not a single bill has yet been acted upon by Gov. Bradley, and there are only eight or ten on his desk, though only three weeks of the session remain. During that time a great many measures can be passed through both houses, as probably 50 are now so far advanced as to be ready for the final action of the members.

Gate Cut Down.

NICHOLASVILLE, Ky., Feb. 22.—When the Nicholasville omnibus, which conveyed the guards to their stations on the Lexington and Danville turnpike Monday night, reached the gate kept by John Roberts, second from town, at 9:10 o'clock, they found the gate cut down, the pole, now practically a mass of splinters, cast to the roadside.

A Boy's Last Hunt.

DOVER, Ky., Feb. 22.—Stewart Cole, aged 14 years, and a son of R. V. L. T. Cole, while hunting, probably fatally shot himself. The gunshot wound tore his left leg nearly off. C. & O. section men carried the boy home.

Spanish Flag Insulted.

YBON CITY, Fla., Feb. 22.—A crowd of cigar makers and others dragged the red and yellow flag of Spain in the dirt Monday night and ended by tearing it in pieces. INCREASED BUSINESS.

Comparative Figures Showing How the C. and O. Has Marched Forward.

That the Chesapeake and Ohio Railway has developed wonderfully since 1889 when M. E. Ingalls took charge of the property is a well known fact. How great the development has really been is shown best by comparison.

In the Company's first fiscal year after Mr. Ingalls took hold of the property, the gross earnings were less than \$5,000, and for the fiscal year ending June 30th last, the gross earnings were \$10,708,183, or an increase of over 100 per cent.

To be sure, the C. and O.'s mileage is greater than it was then, but, while the mileage has increased only 33 1/2 per cent., the gross earnings have increased 100 per cent.

Chamberlain's Cough Remedy Always Proves Effective.

There are no better medicines on the market than Chamberlain's. We have used the Cough Remedy when all others failed, and in every instance it proved effective. Almost daily we hear the virtues of Chamberlain's remedies extolled by those who have used them. This is not an empty puff, paid for at so much a line, but is voluntarily given in good faith, in the hope that suffering humanity may try these remedies and, like the writer, be benefited.—From the Glenville (W.
